

ENTWINEMENTS

Colorways for 2006

UP BEAT COLORS *These are perky saturated colors for the optimists.*

PARAKEET, a yellow green with bits of pink, turquoise and violet.

SEMIPRECIOUS TURQUOISE, a medium value turquoise with peach, rose and lavender.

CYAN CANCAN, a deep cyan with gold, brick and olive.

ARCTIC BLOOM, a brilliant purple blue with many other bright colors – like a blooming arctic meadow.

KUMQUAT, a bright orange with olives and browns.

RED POP, a bright cherry red with brights: yellow, green, blue and violet.

PURPLE PASSION, a deep purple with hot pink, bright green and blue.

BOSSA NOVA BLACK, a jet black with a rainbow of colors.

CALMING COLORS *For the harried that could enjoy a day at the spa.*

ROSE GOLD, a light neutral color with many other soft colors, like an old silk slip that has picked up colors with time.

SUGARED FIG, a soft greyed lavender with peach, petal pink and sky blue.

SPICE, an energized brown with olives and darker neutrals.

RAFFIA, a gentle gold, of dried grasses of California or Africa, combined with a dark earthen color.

RED OCHRE, a red earth color, as seen in cave paintings.

BLACK CHAMPAGNE, this best selling color is high contrast, a classic combination of black and light tan.

CLASSIC COLORS *Tried and true color that are easy to combine with classic wardrobe pieces.*

ANTHRACITE, a charcoal grey with washes of many colors, like a piece of coal sparkling in the light.

CYCLAMEN, an exciting bright coral rose.

THYME, a deep blue-green with bright red-orange.

BING SALSA, a deep, rich red brown with bits of yellow, orange and grays. Looks like chopped bing cherries.

DARK GREEN NEUTRAL, dark green with pops of bright colors. This has many, many colors and is very popular.

AURORA BOREALIS, a deep purple black that you can see in the night sky at northern latitudes. This is multicolored.
